Simple Service at Funeral of Clare
Louise Kellogs.
NEW HARTFORD, Conn., May 16.— With the simple service which she had planned, the funeral of Mrs. Clara Louise Kellogs Strakosch, who died at her home, Elopstone, last Saturday, was held this afternoon. The Rev. F. O. Griebrook, paator of the North Congregational Church of New Hartford, officiated and made a brief address. Burial was in Town Hill Cemetery, in the family lot which is guarded by two stately balsam fir trees which Mrs. Strakosch had always admired. There was no singing. Many persons prominent in the musical world were present from New York, Boston and elsewhere. With the simple service which she had

The Board of Aldermen to-day passed a resolution introduced by President Dowling congratulating the Police Department on its "magnificent showing" at the preparedness parade on Saturday. The resolution says:

RECRUITING BOOSTED BY PREPAREDNESS PARADE

Enrolments - for National Guard THE FAMIL Jump After Fine Showing Made on Saturday.

Saturday's preparedness parade gave National Guard recruiting a great boost in this city, according to Major Gen. John F. O'Ryan. On the first of this month it was announced that an effort would be made to gain 3,000 recruits in thirty days. Up to last night 970 new guardsmen had been enrolled. Yesterday was a banner day, 172 men having joined the colors. And this record is not final, for several recruiting sections have yet to be heard from.

'The effect of Saturday's prepardness parade upon the recruiting campaign now in progress in the State has been remarkable," said Major Gen. O'Ryan. "Since the appearance of the National Guard in the parade Saturday night I have received hundreds of letters congratu- fruit juices and tonics—is mild in action lating the men."

The exact sense of rheumatism is unknown, thou in it is generally believed to be due to an excess of uric acid in the blood. It may be also said with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism above that there are but few drugs which have not began given a trial. In the heads of one observer we find that a certain drug has been used with the utmost estimation; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is aided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W. S. Behultes expresses the opinion of thousands of practitioners when he says that anti-kamnia tablets should be given preference over all other remedies for the relief of the pain in all forms of rheumatism. These tablets can be purchased in any quantity. They are also unsurpassed in headaches, neuralgias and all pain. Ask for A-K Tablets.

TODAY'S AID TO BEAUTY

An especially fine shampoo for this weather, one that dissolves and entirely removes all dandruff, excess oil and dirt, can easily be made at trifling expense by simply dissolving a teaspoonful of canthrox in a cup of hot water. Pour slowly on scalp and massage briskly. This creates a soothing, cooling lather. Rinsing leaves the scalp spotlessly clean, soft and pliant, while the hair takes on the glossy richness of natural color, also a fluffliness which makes it seem much heavier than it is. After a canthrox shampoo arranging the hair is a pleasure.—Advt.
